## ABOUT AUDIOCAST PRODUCTIONS

---

Audiocast Productions is a Creative Commons Netlabel that was founded in July 2009. Our focus is electronic music but we cater for a wide range of tastes and styles and our main aim is to provide artists from around the globe with an outlet for their music.

Audiocast Productions is completely none-profit so we don't have money to spend on fancy promo's so we would love for you to help spread the word, share our releases with your friends on your favourite social networks, if your a blogger, writer or a podcaster, we'd love for you to include any of our releases, anything you could do would be greatly appreciated.

If you have any ideas on collaborative projects, want to get involved with the label, exchange links or maybe have some suggestions then please get in touch with us via the [contact us page](#). Also if you're an artist and want us to release your music then please visit the [submit your music](#) page and read through the guidelines first.

For more information on this release, the artist or Audiocast Productions please visit our website, check out the other links and/or like us on facebook :
